The Human Hair

Is admitted by civilized as well as barbarous nations to be, when full, flowing and perfect the greatest ornament, and when imperfect or wanting, the greatest defect and disadvantage to the personal appearance of male or female. That it is a duty to preserve and beautify it, all will admit. This article has been for more than 20 years used extensively. It has the testimony of many of the most respectable citizens in this country, who testify to the fact that the BALM OF COLUMBIA:—

First,—In all cases stops the Hair falling out or restores it in most if fallen, and in all cases if lost by sickness; and keeps off dandruff and scurf on infants and adults.

Second,—Perfumes the hair and preserves it, to old age, from turning grey. Should always be used at toilette.

Third,—Gives great vigor and rapid growth to the Hair, and causes it to curl beautifully.

Lastly,—Prevents all filth or its consequence, on children's heads, and exceeds all other articles for the hair in quality, quantity and cheapness.

Many articles have been started on the reputation of this, and are without merit though they have been, and are sold at double the prices of this Balm.

THE PILES, ALL SORES, RHEUMATISM, &c.—Hays' Liniment—is an article more justly celebrated as a cure for the above, than any or all others. The cases of cure are almost innumerable, and it is only necessary to let those who know the article and have used it with such great success, know that it is only to be had true and genuine, (for there are counterfeiters), of Dr. Lucius Comstock, 21 Cortlandt st., New York, and so of the rest of the articles here named.

10 DEAF PERSONS.—Dr. McNair's Acoustic Oil will relieve & generally cure the deaf. The evidences are abundant.

TO THE HAIT AND LAME.—Dr. Hewes' Nerve and Bone Liniment is the most effectual cure for Rheumatism and contracted cords and muscles.

THE GRAY HAIRED will find the Indian Hair Dye perfect and effectual.

FOR WORMS.—Kohlstock's Vermifuge—not Fahnstock's—will eradicate and cure all children and adults who have worms. Caution. Beware of all unless the name is spelled Kohlstock's, the old Dutch name of the inventor.

FOR COUGHS and Lung complaints use Dr. Bartholomew's Pink Expectorant Syrup.

HIGHLY IMPORTANT NEWS FROM THE SOUTH.

The following extract of a letter is from a very respectable mercantile house, dated Washington, Rappahannock Co., Va. May 26, 1846.

Dr. D. Jayne.—Dear Sir,—Our Mr. Jones has been in a very low state of health for more than a year; he has had the benefit of the best medical advice our country affords, and also visited your city during last summer, but found no relief. On the 15th of April last, we purchased a half dozen bottles of your Tonic Vermifuge, and a half dozen boxes of Sanative Pills. Through carelessness in packing the articles in a dry goods box, one half the Vermifuge was broken. Mr. Jones commenced with the Pills, and after taking a few doses, felt a decided improvement. The three bottles of Vermifuge, which came safe to hand, brought from him, he thinks, not less than ONE THOUSAND WORMS, and perhaps many more. He is now in better health than he has been in for years, and we hope a few more bottles of your Vermifuge and Pills will effect a permanent cure. All our physicians have entirely mistaken his case; Prof. Samuel Jackson, of your city at the head. Mr. Jones is most anxious to get more of your Pills and Vermifuge, as soon as possible. Respectfully, J. B. JONES & CO.

Now, there is no need of coughing at all, for JAYNE'S EXPECTORANT will immediately relieve the cough, subdue the inflammation, cleanse the lungs and throat from all irritating or obstructing matter, and effect a speedy cure.

Prepared only by Dr. D. JAYNE, Philadelphia, and sold on agency by GEO. HOWARD.
